Mohamed Al Murr and Ali Bin Tamim will discuss the theme of "Biography" during their speeches at the Culture and Sciences Conference in Dubai. The conference is organized by the Sheikh Zayed Book Award and is attended by writers and cultural figures from Arab countries.

The main theme of the conference is "Biography" in Arab literature, with discussions on the role of biography in Arab culture and its influence on society. The conference also aims to highlight the achievements of writers and cultural figures in the Arab world.

The event is expected to attract a large number of participants from different Arab countries, including writers, intellectuals, and cultural figures. The discussions will be moderated by prominent figures from the Arab world, who will discuss the role of biography in Arab culture and its influence on society.

The conference will also include a number of workshops and seminars, where participants will have the opportunity to exchange ideas and experiences on the topic of biography. The aim of these workshops is to foster a deeper understanding of the role of biography in Arab culture and to encourage writers and cultural figures to explore new ways of expressing their ideas and experiences through their works.

In conclusion, the Culture and Sciences Conference is an important event that will bring together writers and cultural figures from the Arab world to discuss the role of biography in Arab culture. The conference will provide a platform for sharing ideas and experiences, fostering a deeper understanding of the role of biography in Arab culture, and encouraging writers and cultural figures to explore new ways of expressing their ideas and experiences through their works.
